COMPANY PROFILE

SABTA TRADING CO. LLC, A Dubai-based company founded in 1994 as a Fastener Distributor Catering all types of fasteners mainly to Automotive, Manufacturing, Marine and Oilfield Industries. With vast expertise and knowledge throughout these years we have set standards for customer service by providing them with solutions to their problems.

We have succeeded in our industry due to our commitment, efficiency and determination in providing Quality products with a huge inventory of 16000 items in stock and competitive pricing. Our products get updated regularly to meet our valued clients demands.

With our dedicated list of suppliers, we can source you any type of Fasteners, which is not available in Ready stock.

HOSE CLIP – RUBIT BRAND

SIZE: 3/8” – 12” AND 9.5 MM – 318 MM

Zinc-Plated Hose Clips are regarded as most reliable choice for general purpose usage as they are good for applications with low requirement in terms of corrosion resistance.

Stainless Steel 304 Hose Clips are ideal for various industrial applications where high corrosion resistance is required.

Stainless Steel 316 Hose Clips are widely regarded as Marine Grade Stainless Steel and is ideal for off-shore and salt water applications.
